

Once again, @DALO is pleased to announce that the registration for DALO Industry Days 2024 is now open.

This year DALO will again open the doors to Scandinavia's largest defense industry exhibition over two days.

DALO Industry Days is a unique opportunity for companies and guests, where they can meet DALO case officers, operational units, international delegations, attend live demonstrations and creating B2B connections.

We are also excited to announce that this year we have made an agreement with several Danish veteran organisations, who will help with different task and sale of coffee, food and beverage. All surplus goes directly to the organisations and their important work for our Veterans.

We encourage companies to read the website carefully for registration and the various exhibition opportunities.

For registration as an exhibitor, follow this link: <https://danishdefence.dk/daloindustrydays21-22aug2024>

Registration as a guest or press, follow; <https://danishdefence.dk/guest>

If you are Danish military personal, please find a unique sign up link on concern Intra.

DALO looks forward to opening its doors on August 21 and 22, 2024 in Ballerup Idrætsby
