

SAVE THE DATE NORDIC-BALTIC DELEGATION VISIT TO SPACE-COMM EXPO SCOTLAND

September 10-13, 2024 | Glasgow, Scotland

Join us for one of the UK's premier space events to explore Scotland's growing space economy and network with global leaders from industry, government, and academia.

Why Scotland?

Scotland's space industry is rapidly advancing, making it a key player in the global space economy. Known for its innovative approaches and strategic strengths in satellite manufacturing and launch services, Scotland offers a dynamic environment for space enterprises.

- Over **130 space organisations** and **83 aerospace companies** are based in Scotland.
- Scotland hosts nearly **18% of the UK's space sector workforce**.
- Projected to capture **£4 billion of the global space market by 2030**.

Who Should Attend?

This trip is tailored for participants from the Nordic and Baltic space community, including but not limited to:

- Government and Space Agencies
- Defence and Military
- Investors and Venture Capital
- National Security and Intelligence
- Research, Development and Testing
- Upstream Space Sector
- Downstream Space Sector
- Space Law, Policy and Governance
- Associations and Space Clusters
- Education, Training, and Workforce Development

Encouraging Diversity: We welcome participants from all backgrounds and are committed to promoting diversity and inclusion within the space sector.
